Re: Freedom of Information Request

Dear Freedom of Information Officer:

This Freedom of Information Act ("FOIA") request is submitted on behalf of the Environmental Clinic at the University of Texas School of Law to request copies of any and all Clean Air Act, Title V Federal Operating Permit (1) deviation reports and (2) annual compliance certifications for Valero's Houston Refinery, including those filed pursuant to operating permits 1381, 2951, 2991, and 3784. We request only those deviation reports or compliance certifications covering the period between January 1, 2014, and the present.

If any of the requested records are already publicly available online, we request that EPA direct us to where we can find the records. If the requested records are available in electronic form, we request that they be produced in electronic form.

To the extent that this request encompasses any documents which contain confidential information, we request that EPA redact portions of the requested documents that are deemed confidential and disclose redacted documents to the fullest extent possible.

Please send records to Kelly Haragan at kharagan@law.utexas.edu or mail them to: University of Texas Law School Environmental Clinic c/o Kelly Haragan 727 E Dean Keeton St., Austin, Texas 78705.

To the extent that fees for this request will exceed \$50, or in the event that you have questions concerning the type of materials we request, or have concerns regarding the scope of the request, please contact Kelly Haragan by email at kharagan@law.utexas.edu or by phone at (512) 232-2654. Thank you for your assistance.

Sincerely,
